

The 2016 BOZEAT ANNUAL SHOW

Bozeat Annual Show is traditionally held on the Saturday before August Bank Holiday weekend. It is where gardeners, bakers and crafters can show their talents and, perhaps, gain some recognition for their efforts.

It is an Open Show, not restricted to residents of Bozeat, and regularly receives support from the villages of Grendon, Bromham and Carlton.

The peak holiday season, and the summer weather, can pose problems but we were pleased that numbers of exhibits were up from 2015.

This year's prize-winners were:-

The Show has become a Summer Social highlight, thanks to the efforts of Justine Pettit and her remarkable Band of Ladies, who serve refreshments including a range of delicious homemade cakes and pastries.

At the end of the day, before an excellent Fish & Chip supper from Wollaston, much of the produce is donated to be auctioned off. For those worried about Food Miles, you can't get any more local, for far higher quality than any supermarket!

19th August 2017 is the date of next year's Show so why not come along, have a look (preferably have a go!) and see if you can take home an unexpected bargain.

The Committee would like to thank everyone who contributed to this year's for making it a success.

For the first time in a few years, we made a small profit, which the Committee will be donating to local causes. If you know of a group or project that would benefit from a donation please contact a member of the Committee.
